

**In the Specification:**

Please amend the sixth full paragraph on page 3 and the second full paragraph on page 13 as provided, respectively, below:

- One-component does not, however, mean that the solution may not contain more than one type of ~~polyoxisiloxane~~ polysiloxane polymer, optionally also in admixture with chemically different polymers (e.g. polyacrylates). --
- The thus obtained ~~force-time~~ force distance diagrams of 6 individual measurements each are shown in Figs. 4 to 7. --
